

COMPETITION RULES
NORDIC NAIL CHAMPIONSHIP 2012

1. Competitors have 2,5 hours to complete a full set of perfect nail enhancements using either tips or forms. The enhancements must not exceed the length of the nail bed.
2. White tips are NOT allowed (clear or natural tips only).
3. Enhancement products containing glitter and/or any other colour than white/clear/pink are NOT allowed.
4. No products of any kind can be applied to tips prior to attaching them to the natural nail.
5. Only unaltered clear adhesives can be used to attach tips to the nail.
6. Preparing tips before the competition starts is NOT allowed. Tips must be uncut and unfiled when the competition starts.
7. All enhancement products must be applied to tips after the tips are adhered to the natural nail.
8. The model's natural nails may be prepared for product application before the competition starts, but product can NOT be applied until the competition starts.
9. All smile lines must be done with a brush by hand.
10. All files and buffers must be clean and unused. Electric files may **NOT** be used.
11. Cleansing products (soaps etc.) and moisturizing products (oils, lotions, creams etc.) are allowed. Note that the judges may deduct points for excess oil.
12. The nail enhancements on one hand (competitor's choice) must be polished with nail polish provided by the organiser. Base coat, ridge filler and top coat are allowed.
13. The nail enhancements on the unpolished hand must be French-style, completely free of nail polish and finished to a high shine.
14. The underside of both hands must look the same.
